

FROM MISERY TO HEALTH. A Society Leader and Club Woman of Kansas City Writes to Thank Doan's Kidney Pills for a Quick Cure.

Miss Nellie Davis, of 1216 Michigan Ave., Kansas City, Mo., society leader and club woman, writes: "I cannot say too much in praise of Doan's Kidney Pills, for they effected a complete cure in a very short time when I was suffering from kidney troubles brought on by a cold. I had severe pains in the back and sick headaches, and felt miserable all over. A few boxes of Doan's Kidney Pills made me a well woman, without an ache or pain, and I feel compelled to recommend this reliable remedy."

Woman Mountain Climber.

By far the most expert woman mountaineer in the world is Mrs. Fanny Bullock Workman. In the Himalayas she has climbed to an altitude of 22,568 feet. On the same occasion her husband broke the world's record for men by 311 feet, by climbing 23,194 feet up a mountain 24,479 feet high. Mrs. Workman is of medium height, and there is nothing in her appearance to suggest the strength she has displayed in some of her wonderful feats.

Most Spoken Languages.

There are 382,000,000 Chinese speaking the same language, making Chinese the most spoken language. There are so many dialects which are entirely different that they seem scarcely to belong to the same tongue. The inhabitants of Mongolia and Tibet can barely understand the dialect of the people in Pekin. Putting Chinese aside, the most spoken languages are as follows, in millions: English, 120; German, 70; Russian, 68; Spanish, 44; Portuguese, 32.

Blue Light for Inflammation.

The effect of blue light in reducing inflammation, diminishing pain, promoting absorption of morbid secretions and curing diseases of the skin, has been shown by several recent researches.

Old Man's Secret.

Alpena, Mich., Sept. 5 (Special).—Seventy-five years of age but hale and hearty is Mr. Jerome K. Fournier of this place, and to those who ask the secret of his splendid health he gives the good advice "Use Dodd's Kidney Pills."

When asked for his reason for so strongly recommending the Great American Kidney Remedy, Mr. Fournier related the following experience: "I recommend Dodd's Kidney Pills because they cured me of Diabetes. I suffered with my kidneys for a long time and suffered terribly from those Urinary Troubles that are so general among aged people."

"Then I started to use Dodd's Kidney Pills and eight boxes of them cured my kidneys, regulated my water and made me feel like a hearty young man."

Dodd's Kidney Pills make the old feel young because they make sound kidneys. Sound kidneys mean health and health is the other name for youth.

Wild Dogs of Central Africa.

The wild dog of central Africa, an explorer writes, is common enough. He is an ugly looking beast, with a pided body, coarse hair, short head and large upright ears. These wild dogs play fearful havoc with game, occasionally clearing out whose districts precisely in the same manner as the red dhole of India, before which even the tiger is said to retreat.

"Pen Stammering."

"Pen stammering" is the name given by Dr. Bertillon of Paris to a difficulty in writing analogous to stammering in speech. Many persons, he says, are incapable of writing even one of the letters of a word as long as any one is looking at them. Hypnotic suggestion, he thinks, will cure this nervous trouble, as well as writer's cramp.
